### Meeting Details

**Entity:** ND Atmospheric Resource Board  
**Governing Body:** ND Atmospheric Resource Board  
**Meeting Title:** Fall Board Meeting  
**Meeting Date and Time:** 11/13/2025 1:30 PM  
**Meeting Type:** Regular

### Agenda

The Atmospheric Resource Board (ARB) is expected to hold its fall meeting on 11/13/2025 at 1:30pm CST in the Lewis & Clark Room, 1200 Memorial Highway, Bismarck and online via Microsoft Teams.

Expected topics include approval of minutes of the spring conference call (scheduled for 4/24/2025), financial status report, review of the 2025 North Dakota Cloud Modification Project (NDCMP), ARB research & evaluation program, weather radar operations, Cooperative Observer Network update, 2026 tentative meeting schedule, and election of officers. More information will be posted as the meeting date and topics are finalized.
