

BENEFITS OF NFIP PARTICIPATION

The National Flood Insurance Program (NFIP) is a voluntary program based on a mutual agreement between the federal government and the local community. In exchange for adopting and enforcing floodplain management regulations, federally backed flood insurance is available to property owners throughout the community.

Just 1" of water
can cause \$25,000
of damage to
your home

Protect the life
you've built with
flood insurance

Everyone is at
risk of flooding.
Where it can rain,
it can flood.

THE ENFORCEMENT OF FLOODPLAIN MANAGEMENT STANDARDS

PROTECTS

property, life, health, and safety.

MINIMIZES

impacts to neighbors.

MAXIMIZES

grant opportunities from FEMA.

MITIGATION

available as flood insurance throughout the community.

FLOOD

damage not covered by most homeowners and business policies.

MANDATORY

purchase for property in the floodplain with federally backed mortgage.

SOUND FLOODPLAIN MANAGEMENT STRATEGIES

Floodplain
regulations apply
to development
in high-risk
flood zones

Homeowners
and renters
policies don't
cover flooding

In high-risk flood
zones, you have
a 25% chance of
flooding during a
30-year mortgage
